As you are well aware the Board of Intermediate Education is imparting Live programmes through Ku-Band, Mana T.V. in Channel-II since 2002. Department of Intermediate Education has selected three subjects i.e., **English, Mathematics and Chemistry** lessons are to be telecasted during 2006-2007. These Tele-lessons will be live and should be planned well in advance and must demonstrate high quality of teaching with command over the subject. The aim of telecast is not only to supplement the class room, teaching but also to provide an opportunity to the students to listen to the best Lecturer and interact with Lecturer / Subject Expert on the topics concerned. The selected Resource Persons will share their expertise on difficult topics with others using Computer aided techniques.

In this connection, I would like you to suggest the details of senior Lecturers in above Subjects having high quality of teaching experience and interest in the TV programmes to be selected as Resource persons for delivering lesson in Intermediate session to be telecasted through Ku-Band, Mana T.V. Your reply should reach to the Professor, E.R.T.W.-I (A.V.E.Cell) by 10th July 2006 positively.

It is requested to utilize the CD's supplied by the Board of Intermediate Education on spoken English, as these CD's are useful for students to watch and learn as per their convenience during free hours.
