Ref: Lr.Rc.No. 52/ERTW-/ Ku Band / Tele Edn.03 dt. 12.5.2003.

^^^

As you are personally well aware, our State Govt. is according top priority for Distance Education through MANA TV using Ku Band. In this connection there is immediate need to take steps for arranging power supply to the colleges where electricity is not available in the colleges under your jurisdiction.

In the reference cited (Copy enclosed), the Commissioner is pleased to instruct all concerned Junior College Principals to meet the expenditure for getting electricity connection from the special fee funds of the college where electricity is not available.

Please bestow you personal attention and send report confirming the arrangement of power supply to all the colleges in your jurisdiction.

Also please send a consolidated report indicating college-wise infrastructural and other difficulties, if any, and the suggested measures to be taken up immediately to improvise the telecasting through MANA TV.

Yours faithfully,
